RISE TO IT

Paul Stanley - Bob Halligan, Jr.

All that style all going to waste
All that beauty, but you never show your face
I'm gonna make my way to you
Knock down your door and walk on through
I'm impatient, times a wastin'
Girl, if you give me an occasion

I'm gonna rise to it
You know I really can do it
I'm gonna rise, I'm gonna rise, I'm gonna rise to it
When you're lying next to me
Baby, I can guarantee, I'm gonna rise to it

I'll give you fever, I'll give you chills
Make you a believer, ooh, I'm gonna break your will
A little danger, a little fun, we're gonna take 'em one by one
Walk the wire of desire, and if you dare to take it higher

I'm gonna rise to it
You know I really can do it
I'm gonna rise, I'm gonna rise, I'm gonna rise to it
When you're lying next to me
Baby, I can guarantee, I'm gonna rise to it

Get up!
Lights, camera, action
It's getting time for the show
Tonight you're the main attraction
And if you want a lover who can play the other role
I'm gonna, I'm gonna

I'm gonna rise to it
You know I really can do it
I'm gonna rise, I'm gonna rise, I'm gonna rise to it
When you're lying next to me
Baby, I can guarantee, I'm gonna rise to it

BETRAYED

Gene Simmons - Tommy Thayer

You pay your taxes, you pay the rent
Till you haven't got a cent
It's the law of the jungle, if you got the hunger
What doesn't kill you makes you stronger
Just hold on to what you got (hold on, hold on)
Just live it to the last drop
You can't help it, you just can't stop

Betrayed, yeah, life's a bitch, so just don't feel
Betrayed, no, you ain't the only one who's been
Betrayed, betrayed

Stone cold and all alone
And you're wearin' everything you own

They bare your flesh and strip your soul
But underneath you got a heart of gold
Just hold on to what you got (hold on, hold on)

Betrayed, you ain't satisfied, I know you feel betrayed
You ain't crucified, so just get real
Betrayed, betrayed

All alone, far from home, and you're feelin' cold as stone
Don't give up, don't give in, life's a bitch if you lose or win

Betrayed - yeah, you ain't the only one who's been
Betrayed - life's a bitch, if you lose or win
Betrayed, betrayed

Betrayed, betrayed

HIDE YOUR HEART

Paul Stanley - Desmond Child - Holly Knight

Johnny saw her riding on a street car named Desire
His fate was sealed
She could see him coming like a hundred other liars
It was no big deal
Rosa had a lover on the shady side of town
Tito, he was king of the streets
She was his possession like a jewel on his crown
Johnny better run, better run

Better hide your heart, better hold on tight
Say your prayers, 'cause there's trouble tonight
When pride and love battle with desire
Better hide your heart, 'cause you're playing with fire

The ride was over but the story doesn't end
He took her heart
She looked him in the eye
and said they couldn't meet again
You could see the trouble start
The word went out that Rosa's messin' with someone
It was on the street
Tito looked for Johnny with a vengeance and a gun
Johnny better run, better run

Better hide your heart, better hold on tight
Say your prayers, 'cause there's trouble tonight
When pride and love battle with desire
Better hide your heart, 'cause you're playing with fire

Johnny's holdin' Rosa on a rooftop in the night
As time stood still
They couldn't hear him coming
'Til he had them both in sight
You could feel a chill
A shot ran out like thunder
and the blood was on her hands
With nothing won
When someone lies dying
Lovers finally understand

Better hide your heart, better hold on tight
Say your prayers, 'cause there's trouble tonight
When pride and love battle with desire
Better hide your heart, 'cause you're playing with fire

PRISONER OF LOVE

Gene Simmons - Bruce Kulick

If I can survive, and if you can't deny it
Don't give me love, no, don't even try it
Just give me your trust, and I'll tell you no lies
This is the truth, and I don't know why
Can't you hear your heart is beatin' (Don't you hear it beatin')
Don't you feel that sweet sweet feelin' (Can't you feel that feelin')
Anytime you need some lovin'

Yeah, I know, I'm a prisoner of love
And I can't break these chains
Yeah, yes I know, but here comes that feelin' again

And if you can't believe all your alibis
I can tell by that look in your eyes
When we make love, you play hard to bet
You bet, what you give is what you get
Anytime I see you goin' (Anytime I see you gone)
Everytime the feelin's growin' (This feelin's growin')
Anytime I need your lovin'

Yeah, I know, I'm a prisoner of love
And I can't break these chains
Yeah, yes I know, but here comes that feelin' again

I know it's much too late
But I can't help this feelin'
No I can't look away

Yeah, I know, I'm a prisoner of love
And I can't break these chains
Yeah, yes I know, but here comes that feelin' again

READ MY BODY

Paul Stanley - Bob Halligan, Jr.

Do you want to know what I'm thinking about
Do you wonder do I wanna make you scream and shout (shout it out)
Would you like to see what's in my brain
Does your curiosity make you insane (insane)
Baby you're just wastin' precious time
If you want to know what's on my mind

Read my body, are the letters big enough
Read my body, do you like the book of my love
Read my body, turn the page, get to the good stuff, read my body

Would you like to go on a moonlight ride
Do you think you wanna show me what you're like inside
Would you like to touch, do you wanna know
How good it can get, how far it can go (ooh, let's go, let's go)

Baby if you're lost between the lines
Open up your eyes and see the signs

Read my body, are the letters big enough
Read my body, do you like the book of my love
Read my body, turn the page, get to the good stuff, read my body

Baby you're just wastin' precious time
If you want to know what's on my mind

Read my body, are the letters big enough
Read my body, do you like the book of my love
Read my body, turn the page, get to the good stuff, read my body

LOVE'S A SLAP IN THE FACE

Gene Simmons - Vini Poncia

I been up, down, and all around, tell you what I'm feelin'
I been hurt and I've found, been pushed around
It's how I got this feelin'
I never thought I could hurt so good, no no
I never thought I could lose myself, but I just can't hide it
They never let you down easy, now listen

Sometimes love is like a slap in the face, you been burned and still
It's the same old mistake
If you want my opinion, I'll give it to you straight
Love is like a slap in the face
Singin' na na na na na na na na na, na na na na na na na na na

Love's got a hold on me, I can't believe it, but it's plain to see
Turns me upside down and inside out
Don't know why it never fails to make you scream and shout

I never knew I could fool myself, no no
I never thought I could hurt so good
But I just can't hide it, guess I'm feelin' no pain
Now listen

Sometimes love is like a slap in the face, you been burned and still
It's the same old mistake
If you want my opinion, I'll give it to you straight
Love is like a slap in the face
Singin' na na na na na na na na na, na na na na na na na na na

I never knew I could hurt so good, no no
I never thought I'd say no no no, no no
But I'm here babe, I got a secret inside

Sometimes love is like a ball and chain
Keeps you up at night, why is it always the same
If you wanna know the truth, it's something I can't explain
Yeah love is like a ball and chain

Yeah na na na na, na na na na na
Na na na na, na na na na na

FOREVER

Paul Stanley - Michael Bolton

I gotta tell you what I'm feelin' inside
I could lie to myself, but it's true
There's no denying when I look in your eyes
Girl I'm out of my head over you
I lived so long believin' all love is blind
But everything about you is tellin' me this time

It's forever
This time I know and there's no doubt in my mind
Forever
Until my life is thru
Girl I'll be lovin' you forever

I hear the echo of a promise I made
When you're strong you can stand on your own
But those words grow distant as I look at your face
No, I don't wanna go it alone
I never thought I'd lay my heart on the line
But everything about you is tellin' me this time

It's forever

This time I know and there's no doubt in my mind
Forever
Until my life is thru
Girl I'll be lovin' you forever

(Yeah)

Oh, I see my future when I look in your eyes
It took your love to make my heart come alive
'Cos I lived my life believin' all love is blind
But everything about you is tellin' me this time

It's forever
This time I know and there's no doubt in my mind
Forever
Until my life is thru
Girl I'll be lovin' you forever

It's forever
This time I know and there's no doubt in my mind
Forever
Until my life is thru
Girl I'll be lovin' you forever

SILVER SPOON

Paul Stanley - Vini Poncia

I ain't lookin' like nobody's fool
Save it for somebody else
And I ain't makin' any desperate move
'Till I'm satisfied myself
I ain't waitin' for no invitation
I just wanna walk on thru
I never needed anybody
And like my daddy said

I wasn't born with a silver spoon
Nowhere to hide in a crowded room
I see the attitude that's in your eyes
I got no reason to apologize
'Cos what's so special 'bout a girl like you
With a silver spoon

In a city where the buildings rise
I was just another face
But mama told me when somebody dies
No one else can take your place
I never needed anybody
And like my daddy said

I wasn't born with a silver spoon
Nowhere to hide in a crowded room
I see the attitude that's in your eyes
I got no reason to apologize
'Cos I've got somethin' for a girl like you
With a silver spoon

I always knew I'd be somebody
I kept it in my head
I never needed anybody
And like my daddy said

I wasn't born with a silver spoon
Nowhere to hide in a crowded room
I see the attitude that's in your eyes
I got no reason to apologize
'Cos what's so special 'bout a girl like you
With a silver spoon

Don't try to tell me
Where you'll go or what you'll do
Where I'm from, everybody's somebody!

CADILLAC DREAMS

Gene Simmons - Vini Poncia

When I was seventeen, found out just what it means
If you can get it free, it just ain't worth a damn
When I heard the preacher say, don't throw your life away
I got that message, and I wrote it on the wall

I don't want anybody tellin' me lies
No, I don't want your diamond ring
'Cause you ain't got my size

I want money, money, that's what I need
I got Cadillac dreams, please mister don'tcha take it from me
Give me money, money, more than I need
I got Cadillac dreams waitin' on me

Cadillac dreams, Cadillac dreams

When I had the young boy blues, I paid some young boy dues
I learned the hard way, there's a heartbreak every day
Stone cold reality came crashing down on me
Well life was hard on me, but I still don't give a damn

When I was seventeen I was an angry young man
But I won't let just anybody tell me who I am

I just want money, money, that's all I need
I got Cadillac dreams, hey mister don'tcha take it from me
Give me money, money, more than I need
These Cadillac dreams are waitin' on me

Didn't have the time of day, till this dream was born
You can't take that away, you can't take that away from me

When I was seventeen, there was this beauty queen
Checked in a one room suite, the back seat of my car

When you want all the best things money can buy
You gotta reach down inside of you, to reach up to the sky

Yeah, I want money, money, that's all I need
I got Cadillac dreams, hey mister you can't take that from me
I want money, money, more than I need
I got Cadillac dreams waitin' on me

Money, money, that's what I need
We're drivin' in my Chevy with my Cadillac dreams
Someday, one day, just you and me
We'll ride inside these Cadillac dreams

KING OF HEARTS

Paul Stanley - Vini Poncia

She was just 19, but in her eyes she was old enough to know
We were caught between two city streets like a bad dream
We could barely survive in the world outside
Where the writin's on the wall
Still she lets me know, we just can't let go, and she takes my heart away

When she tells me I want it, I go crazy, I need it
When she touches I feel it, right there in her eyes
I'm the King of Hearts, livin' in a fantasy
The King of Hearts, when she's layin' next to me
Shinin' like a jewel tonight, love is gonna rule tonight
Yeah I'm gonna be the only one, to be King of Hearts

Like a neon light, the shadows flash across my empty room
We could leave tonight and save ourselves from a bad scene
When we walk on by with our heads up high
All the faces turn our way
Yeah it's in their eyes, and they realize we can make our getaway

When she tells me I want it, I go crazy, I need it
When she touches I feel it, right there in her eyes
I'm the King of Hearts, livin' in a fantasy
The King of Hearts, when she's layin' next to me
Shinin' like a jewel tonight, love is gonna rule tonight
Yeah I'm gonna be the only one, to be King of Hearts

When she tells me I want it, I go crazy, I need it
When she touches I feel it, right there in her eyes
I'm the King of Hearts, livin' in a fantasy
The King of Hearts, when she's layin' next to me
Shinin' like a jewel tonight, love is gonna rule tonight
Yeah I'm gonna be the only one, to be King of Hearts

THE STREET GIVETH AND THE STREET TAKETH AWAY

Gene Simmons - Tommy Thayer

Hey man - Gotta take a stand
So you think that you've been had
I'm here to bet ya street's gonna get ya
Well two out of three ain't bad
Hey man - It's gettin' out of hand
Cross your heart and hope to die

You got yours, and I got mine
I'm gonna get what's comin' to ya
'Cause the street giveth and the street taketh away
Where there's no blind justice, no way

Hey man - Don't you understand
You can run but you can't hide
There ain't no life after death so save your breath
(You're gonna) Be a rock 'n roll suicide
Hey man - Do you need a hand
But I ain't no blessing in disguise

Feel the agony, And the ecstasy
It's gonna burn right through ya
'Cause the street giveth and the street taketh away
Where there's no blind justice, no way

Life's too short so help yourself, 'Cause I don't walk on water

'Cause the street giveth and the street taketh away
'Cause the street giveth and the street taketh away
'Cause the street giveth and the street taketh away
'Cause the street giveth and the street taketh away

YOU LOVE ME TO HATE YOU

Paul Stanley - Desmond Child

You tell lies when you look at me, smile when you look away
Spin a web any fool can see, put your candy on display
It's a game of who needs who, who's on top, me or you
Pleasure and pain feel the same when the night is thru

Girl you want me to cry, feel like I'm gonna die
Girl you want me to bleed, feel the thrill of my need
Girl you want me to beg, wish to hell I was dead
Cos you love me to hate you, yeah you love me to hate you
Girl you love me to hate you, and the more that I hate you I love you

You're like a cat on a hot tin roof, I love it when you scratch and bite
You got my heart in a hangman's noose, pull the rope and make it tight
Love's like a chain holdin' you to me, you're the lock, baby I'm the key
Don't wanna walk 'cause we're caught in a fantasy

Girl you want me to cry, feel like I'm gonna die
Girl you want me to bleed, feel the thrill of my need
Girl you want me to beg, wish to hell I was dead
Cos you love me to hate you, yeah you love me to hate you
Girl you love me to hate you, and the more that I hate you I love you

It's a game of who needs who
Who's on top, me or you
Pleasure and pain feel the same
When the night is thru

Girl you want me to cry
Feel like I'm gonna die
Girl you want me to bleed
Feel the thrill of my need
Girl you want me to beg
Wish to hell I was dead
Cos you love me to hate you
Yeah you love me to hate you
Girl you love me to hate you
And the more that I hate you I love you

Cos you love me to hate you
Yeah you love me to hate you
Girl you love me to hate you
And the more that I hate you I love you

And the more that I hate you I love you
Yeah the more that I hate you I love you
Yeah the more that I hate you I love you
Yeah the more that I hate you I love you

SOMEWHERE BETWEEN HEAVEN AND HELL

Gene Simmons - Vini Poncia

I'd have to be a mindreader, baby, just to know what's goin' on
You don't need no crystal ball, sugar, can't you see my love is strong
Don't you know my temperature is startin' to rise up
And it's draggin' me under your spell

Somewhere between heaven and hell
Sometimes I think you want to, but I can never tell
Somewhere between pleasure and pain
I'm about to go insane, I'm so hungry, I'm so hungry

You don't have to see no fortune teller, to see I just can't take no more
You been such a heartbreaker, baby, you keep a lock on heaven's door

Ain't you tired of goin' through the motions
And standin' in the shadow of love

Somewhere between heaven and hell
Sometimes I think you want to, but I can never tell

Somewhere between the truth and a lie
Sometimes I wonder why, I can't hurt you, I can't hurt you

Don't need your lovin', don't want nothin'
Don't need your sympathy, don't need a friend
I just need somethin' I can believe in, I can believe in

Ain't you tired of goin' through the motions
And hidin' in the shadow of love

I'm somewhere between heaven and hell
Sometimes I think you want me, but I can never tell
Somewhere between pleasure and pain
I'm about to go insane, I'm so hungry
Somewhere between love and hate
Don't know just what I'm feelin', babe I think it's gettin' late
Somewhere between the truth and a lie
Sometimes I wonder why, I can't hurt you...

LITTLE CAESAR

Eric Carr - Gene Simmons - Adam Mitchell

Ten million stories in the city
Ten million backs against the wall
Desperation's out tonight
You can cut it with a knife
Everybody wants to have it all
Well they tell you that the world is rough
But they never rocked it hard enough

Hey Little Caesar
Nobody messing with you
Hey Little Caesar
Go show 'em what you can do

Nobody said that it was pretty
You haven't got a penny or a prayer
You know it's gonna be a fight
If you wanna see your name in lights
Ain't nobody gives a damn out there
Well you got your guts, you got your pride
But you'll never let them see inside

Hey Little Caesar
Nobody messing with you
Hey Little Caesar
Go show 'em what you can do

Well you don't believe
In the books and rules
'Cause you just believe
In what you know is cool
Well they tell you that the world is rough
But they never rocked it hard enough
I can't hear you!

They just don't understand
You gotta fight to be a man

Hey Little Caesar
Nobody messing with you
Hey Little Caesar
Go show 'em what you can do

Hey little Caesar
Oh yeah, that's what it is
Hey little Caesar
Yeah

BOOMERANG

Gene Simmons - Bruce Kulick

Gonna throw down the dice on a roll
It's a showdown, gonna walk on hot coals
Cut the deck, better place your bet
'Cause the game ain't over yet
Wanna keep you under lock and key
Can't you see what you do to me
Get the noose, I know I'm gonna hang
'Cause you're like a boomerang, boomerang

On the way up, you change your tune
So pay up, and it ain't too soon
Can't make up or break up, can't feel a thing
You want a piece of everything

First you're cold and then you're hot
You're in the mood and then you're not
Yeah, I know I'll get a bang
'Cause you're like a boomerang, boomerang

You can slip and you can slide
But there ain't nothin' you can hide
You just can't say no
Well here I come, baby, and here I go

A boomerang
A boomerang
